Dear Sir/Madam,

APPLICATION FOR THE INTERNSHIP PROGRAMME

I am writing this letter to apply an protégé production planner placement in your company. My name is Nur Afrina binti Azhar Khan. I am currently a fresh graduate student studying avionics engineering at UniKL MIAT. As I was browsing the advertisement in portal, I have come across the advertisement online.

2. I bring with me a dynamic blend of academic knowledge. For an opportunity to work at your organization, it can help me strengthen my knowledge on the aviation engineering fields.

3. I am highly interested in applying of this placement in your company because I possess a strong sense of determination and responsibility and is always eager to learn. With this, I believe I will be a perfect fit for the company.

4. In addition, my participation in extracurricular activities has help to enhance my leadership, soft skills, and problem- solving skills. It has taught me to work under pressure. I can ensure you that I am very keen to learn. I am self-motivated and energetic individual who is driven by a strong desire to achieve results and improve the standards of my performance. To operate as a real professional, i am constantly on the lookout for and willing to develop myself as a means of honing my talents and completing assigned tasks effectively.

5. I am available for any interviews at your convenience and looking forward to hearing from you soon. I can be contacted at +60134583600 or email at itsafrina99@gmail.com

Thank you in advance for your time and kind consideration. Yours sincerely.
