

MOHAMMAD HAZIM BIN MD ZAMANI

Senior Technician

PROFILE

My aim is to establish myself as a **Licensed Aircraft Maintenance Engineer** in the near future. My primary goal has always been to be involved with **helicopters**. I have completed all EASA part-66 modules for B1.3 and B1.4. I am currently taking DCAM part-66 exams for **B1.3**. I am highly intended on partaking in any training and development program offered during the course of my career.
