To whom it may concern,

APPLICATION FOR THE POSITION OF AW139 LICENSE AIRCRAFT ENGINEER (LAE) Category B1.3 and C.

As a highly skilled License Aircraft Engineer Category B1.3 and C, I am interested to be part of your company engineering crew as AW139 LAE. My experience align well with the qualifications your company are seeking, in particular my role as License Aircraft Maintenance at Weststar Aviation Services Sdn Bhd based at Kerteh, and I am certain I would make valuable addition to your organization.

With experience that I have as Aircraft Engineer, I am adept in inspection, maintenance, and repair work. Moreover, while experience has afforded me a well-rounded skill set, including first rate communication and interpersonal skills, I excel at:

- Completing detailed inspections to maintain service and aircraft safety.
- Performing preventative and scheduled maintenance follow authority and company standards.
- Remove, repairing, and install aircraft engines.
- Installing aircraft plumbing, mechanical, and hydraulic systems.

In addition to my experience and personal qualities, I have a solid educational foundation and a passion for high standard of service. I am extremely enthusiastic about focusing on quality and would welcome the opportunity to contribute to your aircraft maintenance and repair needs and goals.

Please review my attached resume for additional details regarding my expertise and career achievements. I will follow up to request an appointment to discuss how my experience and background meets your needs.

I would be entirely glad if you could grant me an opportunity to have a discussion or interview on how I may contribute my capabilities and knowledge to the industry at any time that suit your convenience. I can be contacted at +60 17-664 6733 or thru my email address at muqoddim89@gmail.com.

Thank you for your time and

consideration Your sincerely,

MOHD MUQODDIM BIN MOHD SHAKIB (E4440)
