PERSONAL PROFILE

I am a graduate of the University Kuala Lumpur Malaysian Institute of Aviation Technology (UniKL MIAT) with a Bachelor of Aviation Engineering (Hons) in Avionics. During my studies year, I have learned a lot of knowledge in aviation, avionics, electrical and related courses. I am ready, willing to work at any aviation, engineering and related company and apply what I learned from my studies years and develop my skill to help a company grow besides working on myself to be a better person. Would also be openly interested in experiences in a different field/department, such as office management, such as administration, human resources, or any other department. I am a quick learner, able to adapt and fit in new surroundings, a team-oriented personality that I am willing to work with others, analytical and problem-solving approach, and strong knowledge of computer and Microsoft products
