SAFRAN POWER UNITS PROPRIETARY INFORMATION

All information and data appearing in this document are the exclusive property of SAFRAN POWER UNITS. They are made available to any person required to comply with the terms of the instructions for maintaining the airworthiness of the APU.

Any other use of said information and data, including, but without limitation, design, manufacture, development, or derivation of any repairs, modifications, spare parts or configuration changes or to obtain EASA or any other government regulatory approval to do so, is subject to prior agreement from SAFRAN POWER UNITS. This document shall not be used, copied, reproduced, duplicated, modified or disclosed in whole or in part for any purpose other than maintaining the airworthiness of the APU without the express written consent of SAFRAN POWER UNITS. If such consent is given, this notice and the notice set forth on each page of this document shall also be reproduced.

All information and data contained herein, with respect to assembly and disassembly, cleaning, inspection methods and limits, repair methods and limits, operational limits, life limits and the like, have been developed and approved for use with equipment and parts that have been manufactured and/or approved by SAFRAN POWER UNITS and that have been maintained in accordance with SAFRAN POWER UNITS technical documentation and recommendations. SAFRAN POWER UNITS has no contractual or legal obligation for, nor knowledge of, parts and repairs not approved by SAFRAN POWER UNITS. Accordingly, this document is not intended to apply to parts and repairs not approved by SAFRAN POWER UNITS.
