EC135	T1, T2, T2+, P1, P2, P2+	

For improved assistance to customers' operational needs, Airbus Helicopters launched an update of its Obsolescence Management approach.

As obsolescence might have a direct impact on spares and repair supply Airbus Helicopters likes to inform all customers about current obsolescence issues that were reported by its supplier:

Direction Finder DF931:

Equipment	Manufacturer Part Number (MP/N)
Antenna	931-6
Receiver	707-1
Power Conditioning Unit	7-435
Power Conditioning Unit	7-436
Control Unit	715-13
Control Unit	715-30
Control Unit	715-8

No. 3753-I-34

In the following, Airbus Helicopters would like to inform about the supply situation:
