### No. 3821-P-00

This document was revised to introduce the “Hoist activities” and “Flight Preparation” e-learning booklets.

Airbus Helicopters announces the availability of e-learning booklets on its website [Airbus.com](https://www.airbus.com). All e-learning booklets are free of charge and available in ten languages. They can be accessed directly in a browser or downloaded as .exe packages for PC.

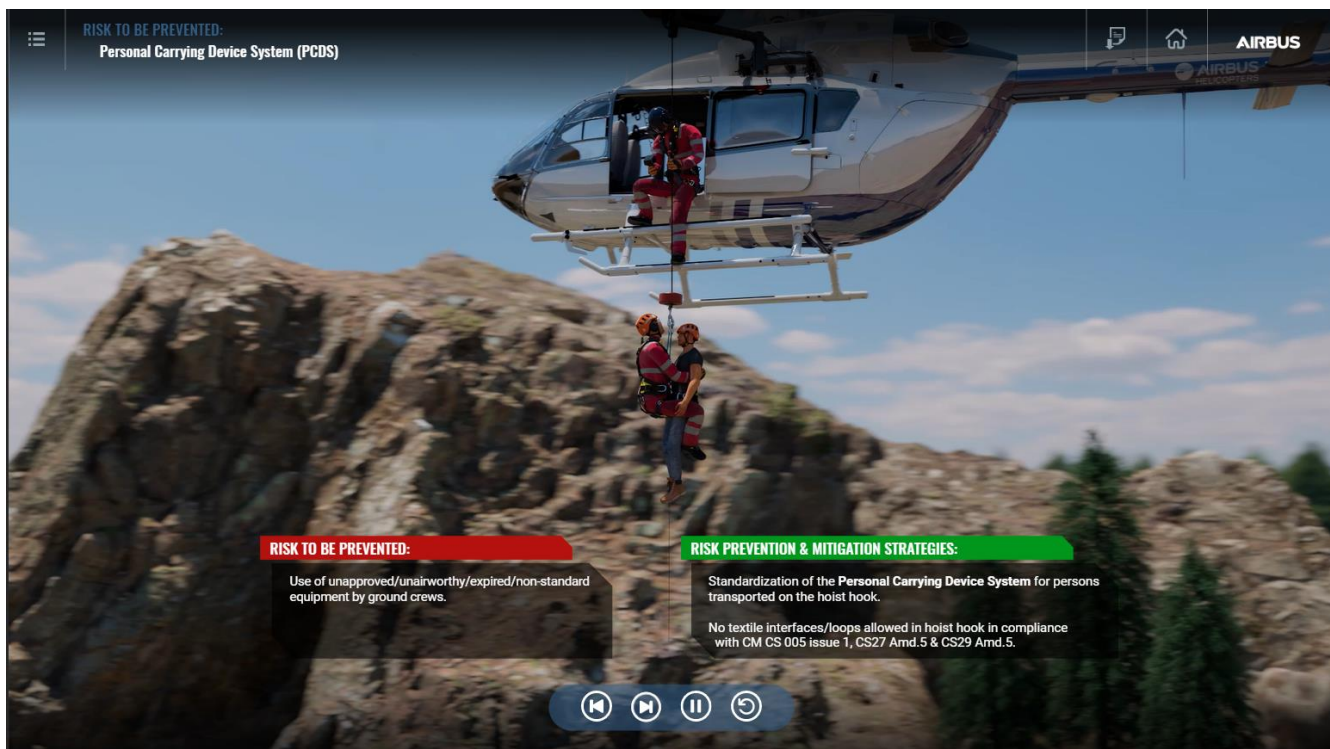

#### Flight Preparation

Airbus Helicopters released an e-learning booklet dedicated to flight preparation. It provides reminders and recommendations on flight preparation as well as guided exercises on the topic.

#### Hoist activities

Airbus Helicopters released an e-learning booklet dedicated to hoist activities. It is based on previous work from the European Safety Promotion Network - Rotorcraft task force. It provides reminders and recommendations on risks and mitigation strategies during hoist activities.
