

Cascina Costa, February 03th, 2023

Object: Regulation CE nr. 1907/2006 (Regulation REACH) – Declaration ex Art. 33 (1)

In accordance with Art. 33 of the Regulation CE nr. 1907/2006 (REACH Regulation) and in particular pursuant to and for the purposes of Art. 10 paragraph 6 of Legislative Decree 133/2009 ("Discipline of sanctions for the violation of the regulation's provisions (CE) n. 1907/2006 establishing the principles and requirements for the registration, evaluation, authorization and restriction of chemicals. (09G0143)") and in reference to the Candidate List updated on January 17th, 2023, Leonardo Helicopter Division declares as follows.

The following Part Numbers (P/N) installed on the AW109 Helicopter – General Arrangement P/N 109-9000-01, 109-9000-09 (¹):

- included in the list in [Annex II](#): P/Ns related to the General Arrangement P/N 109-9000-01;
- included in the list in [Annex III](#): P/Ns related to the General Arrangement P/N 109-9000-09;
- included in the list in [Annex IV](#): P/Ns related to the engine PW206C, which are under the design responsibility of Pratt & Whitney supplier;
- included in the list in [Annex V](#): P/Ns related to the engine PW207C, which are under the design responsibility of Pratt & Whitney supplier;

may contain the following Substances of Very High Concern (SVHC) in a concentration above 0,1 % substance weight by article Weight (w/W) and specifically:

- Cadmium [7440-43-9]
- Strontium Chromate [7789-06-2]
- Lead [7439-92-1]
- 1,2-dimethoxyethane [110-71-4]
- 1,3-propanesultone [1120-71-4]
- 1,6,7,8,9,14,15,16,17,17,18,18-dodecachloropentacyclo[12.2.1.16,9.02,13.05,10]octadeca-7,15-diene [13560-89-9]
- 2-methyl-1-(4-methylthiophenyl)-2-morpholinopropan-1-one [71868-10-5]
- 4,4-isopropylidenediphenol [80-05-7]

¹ Depending on the selected options, some of the listed Part Numbers can be not installed on the actual helicopter configuration.

- 4-Nonylphenol, branched and linear [84852-15-3]
- Bis (2-ethylhexyl)phthalate (DEHP) [117-81-7]
- Boric Acid [10043-35-3]
- Boric acid, crude natural [11113-50-1]
- Cadmium carbonate [513-78-0]
- Cadmium hydroxide [21041-95-2]
- Chromic acid [7738-94-5]
- Chromium trioxide [1333-82-0]
- Decamethylcyclopentasiloxane [541-02-6]
- Diboron trioxide [1303-86-2]
- Dibutyl Phthalate [84-74-2]
- Dibutylbis(pentane-2,4-dionato-O,O')tin [22673-19-4]
- Dichromium tris(chromate) [24613-89-6]
- Dodecamethylcyclohexasiloxane [540-97-6]
- Hexahydromethylphthalic anhydride [25550-51-0]
- Imidazolidine-2-thione [96-45-7]
- Lead chromate [7758-97-6]
- Lead monoxide [1317-36-8]
- Lead oxide phosphonate [12141-20-7]
- Lead titanium trioxide [12060-00-3]
- Lead titanium zirconium oxide [12626-81-2]
- Molybdenum disulphide [1317-33-5]
- N,N-dimethylformamide [68-12-2]
- Octamethylcyclotetrasiloxane [556-67-2]
- Orange lead (lead tetroxide) [1314-41-6]
- Potassium dichromate [7778-50-9]
- Potassium hydroxyoctaoxodizincatedichromate(1-) [11103-86-9]
- Silicic acid, lead salt [11120-22-2]
- Sodium dichromate [10588-01-9, 7789-12-0]
- Terphenyl hydrogenated [61788-32-7]
- Zinc chromate [13530-65-9]

[Annex I](#) includes the cards for a safe use of the Part Numbers listed in Annexes II, III, IV, V.

For the articles designed and manufactured in accordance with purchase specifications of Leonardo S.p.A. and its divisions and subsidiaries operating in the helicopter sector (Leonardo SpA - Helicopter Division; Leonardo UK Ltd – Helicopter Division; AgustaWestland Philadelphia Corporation and Kopter AG, herein after defined as “LH”), the object of which is in the responsibility of the suppliers, LH requires its suppliers to comply with the REACH regulation according to specific contractual requirements represented by:

- General Terms and Conditions of Purchase Orders for the supply of goods and services;
- REACH contractual clause;
- Document “QRS-01 Quality Requirements for Suppliers”.

Leonardo S.p.A. - Helicopter Division confirms that the declaration hereby produced for the articles purchased is compliant with the declarations received from its suppliers.

Alessandro Baricci, Head of Industrial Operations

Annex I - Cards for the safe use of articles in which the presence of SVHC is greater than 0.1% (w/W)

The cards for the safe use for the articles listed in this statement are reported below. Each card refers to a single substance.

Each card must be considered for those articles (P/N) that contain the substance indicated therein. The substances contained in each article (P/N) are indicated in the next annexes.

For some of the substances listed in the body of the declaration, no cards are reported. These substances without cards are contained in articles that are part of purchased products for which the supplier has not communicated specific instructions, in accordance with Art. 33 of the REACH regulation.

| Information on substances of very high concern (SVHC) in articles, in accordance with Article 33 of the REACH | |
|---|--|
| 1. Information on the substance | |
| Substance name | Cadmium |
| CAS Number | 7440-43-9 |
| EC Number | 231-152-8 |
| Disturbing property | Carcinogenic; exhibits specific target organ toxicity upon repeated exposure |
| 2. Information for safe use | |
| Use | <ul style="list-style-type: none"> • The substance is incorporated in the surface layer of the articles. • No releases are expected; it is stable under normal conditions of use. |
| Assembly / disassembly | <ul style="list-style-type: none"> • These activities are not expected to lead to the formation of dust. • In case of dust on the surface, clean the parts avoiding to disperse the dust. |
| Mechanical or chemical removal of surface layers (e.g. grinding, polishing, reaming, paint stripping, sandblasting) | <ul style="list-style-type: none"> • These activities may generate hazardous particulates and powders containing the SVHC substance. • Local exhaust ventilation/dust collection system should be used to limit dust / aerosols concentration at the lowest achievable level. • Use of protective clothing, including coveralls and gloves, is recommended to avoid skin contact. • Use of Safety glasses and/or goggles is recommended. • Perform an exposure assessment to determine the level of respiratory protection requested for a task. |
| Coating (Touch-up) | <ul style="list-style-type: none"> • This activity is not expected to lead to the formation of dust. • To apply the touch-ups, follow the instructions given in the SDS (Safety Data Sheet) of the chemical substance / mixture used. |

| Information on substances of very high concern (SVHC) in articles, in accordance with Article 33 of the REACH | |
|---|--|
| 3. Information on the substance | |
| Substance name | Strontium Chromate |
| CAS Number | 7789-06-2 |
| EC Number | 232-142-6 |
| Disturbing property | Carcinogenic |

Annex III – Part Numbers related to General Arrangement P/N 109-9000-09 which may contain SVHC substances in a percentage greater than 0.1 (w/W).

Bold characters identify bought out complex articles which are under the design responsibility of their suppliers whose components which may contain SVHC substances in a percentage greater than 0.1 (w/W) are listed in *Italic* font below them.

| Part Number | Description | SVHC present in % > 0,1 (w/W) |
