Kindly reminder to all,

Item no. 1, for full setup (offline): Please uninstall the previous IETP Issue 31 in order to install the current revision. This setup is a good choice for you whenever you are in a remote area.

For internet setup: The same step as full setup (offline) and you may just key-in your username and password whenever you login for updated IETP.

Item no. 4: You may patch the WINZIP file into your own Pratt and Whitney Canada ETP software.

Please be advised, all engineering and CAMO staff shall update their working computer (control computer) effected immediately.

Thank you and stay safe!

NUR HARLINA BINTI ABDULLAH
