TO: Recipients of Rolls-Royce M250® Part Information Letter (PIL)

SUBJECT: M250 PIL 2022-002-G Release of New Part Numbers for M250-10940, M250-10941, M250-10942, M250-10943, M250-10944, M250-10945, M250-10946 M250-10949.

This letter transmits a Part Information Letter that applies to the M250 engine.

Rolls-Royce Corporation issues Part Information Letters (PIL) to inform you the customer of any relevant information concerning parts that will be beneficial to your planning.

On occasions you will receive a M250 Part Information Letter (PIL) containing information on part number supersedes, part number release and fit, form or functional changes that may be involved. PILs provide advanced means of informing and supplementing Commercial Engine Bulletins (CEB), Customer Service Letters (CSL), and Illustrated Parts Catalogs (IPC).

Enclosed you will find a currently released PIL containing information on specific part numbers. Please retain a copy for your technical library until the applicable IPC is updated.

If you have any concern regarding this PIL(s) please contact us at your convenience.
