

- Appendix BL: detailed information for IFEEL Installation configuration P/N 6AB1KT025-467.
- Appendix BM: detailed information for IFEEL Installation configuration P/N 6AB1KT025-473.
- Appendix BN: detailed information for IFEEL Installation configuration P/N 6AB1KT025-475.
- Appendix BO: detailed information for IFEEL Installation configuration P/N 6AB1KT025-477.
- Appendix BP: detailed information for IFEEL Installation configuration P/N 6AB1KT025-481.
- Appendix BQ: detailed information for IFEEL Installation configuration P/N 6AB1KT025-633.
- Appendix BR: detailed information for IFEEL Installation configuration P/N 6AB1KT025-631.
- Appendix BS: detailed information for IFEEL Installation configuration P/N 6AB1KT025-635.
- Appendix BT: detailed information for IFEEL Installation configuration P/N 6AB1KT025-637.
- Appendix BU: detailed information for IFEEL Installation configuration P/N 6AB1KT025-483.
- Appendix BV: detailed information for IFEEL Installation configuration P/N 6AB1KT025-639.
- Appendix BW: detailed information for IFEEL Installation configuration P/N 6AB1KT025-641.
- Appendix BX: detailed information for IFEEL Installation configuration P/N 6AB1KT025-643.
- Appendix BY: detailed information for IFEEL Installation configuration P/N 6AB1KT025-647.
- Appendix BZ: detailed information for IFEEL Installation configuration P/N 6AB1KT025-645.
- Appendix CA: detailed information for IFEEL Installation configuration P/N 6AB1KT025-649.
- Appendix CB: detailed information for IFEEL Installation configuration P/N 6AB1KT025-651.
- **Appendix CC: detailed information for IFEEL Installation configuration P/N 6AB1KT025-653.**
- Appendix CD: detailed information for IFEEL Installation configuration P/N 6AB1KT025-655.
- Appendix CE: detailed information for IFEEL Installation configuration P/N 6AB1KT025-657 and P/N 6AB1KT025-663.
- Appendix CF: detailed information for IFEEL Installation configuration P/N 6AB1KT025-457.
- Appendix CG: detailed information for IFEEL Installation configuration P/N 6AB1KT025-665.
- Appendix CH: detailed information for IFEEL Installation configuration P/N 6AB1KT025-669.
- Appendix CJ: detailed information for IFEEL Installation configuration P/N 6AB1KT025-665.

Exhaustive information necessary for the installation and maintenance of a specific configuration are included into the general instructions plus the relevant appendix.
