

REVISION SUMMARY/HIGHLIGHTS
P/N 130-590031-11, Revision C5

1. General

A. In this revision, the Super King Air B300/B300C Maintenance Manual chapters which have been revised or added are listed below with the Highlights of each change. Remove the affected pages and insert this Revision in accordance with the attached Instruction Page. Enter the revision number and the date inserted on the Record of Revisions page of this manual. The Highlights Page may be retained with the manual for future reference. Some sections have revised text and/or graphics which are indicated by a revision bar or highlighted text. All other sections have not been revised since the last revision.

2. Definition

A. Columns

- (1) Chapter-Section-Subject - This column gives the manual location for each document in the revision.
- (2) Document Title - This column gives the name of the document as it is given at the top of the actual document and in the Table of Contents.
- (3) Description - This column gives a short description of the changes that have been made to that section in this revision.

3. Revision Information

A. The following changes were made to the Super King Air B300/B300C Maintenance Manual. Sections referenced to other manuals listed in this maintenance manual (example 25-XX-XX AMM) may not be released at the time of this revision. All referenced sections will be released in their applicable manual as quickly as possible and will be noted within that manual's Revision Summary/Highlights section provided with each revision.
