The screenshot shows a software interface for an inspection record. At the top, it says 'INSPECTION ID: 1418' and has buttons for 'Close', 'Update', and 'Save & Close'. Below this is a tabbed menu with 'General', 'Config List', 'Aircraft List', 'Task/Check List', 'ATA History', 'Linked To', 'BOM', and 'Special Tasks'. The 'General' tab is active. The form contains the following fields:

- Inspection Type:** A dropdown menu set to 'Scheduled Inspections'.
- Title/Subject:** A text box containing '50 FH INSPECTION'.
- Reference/Number:** A text box containing 'ALS 04-20-00 MSM 05-20-00'.
- Version No.:** An empty text box.
- Details/Instructions:** A large text area containing the text: 'TO BE CARRIED OUT IN ACCORDANCE WITH AS365N3 AMP MMEA/CAMO/AMP/AS365N3 ISSUE 1 REV 08 DATE 16 APRIL 2024 AND ORION AS365 N-N1-N2-N3, REV 010.00 DTD 2024-06-17 (UPDATE 05 DTD 2024-08-22)'.
