Ce fascicule présente l'enregistrement des Consignes de Navigabilité applicables à la date d'émission de l'attestation de Conformité de l'Aéronef (EASA Form 52).

La poursuite de l'enregistrement de l'application des Consignes de Navigabilité à application unique ou répétitive se fait par l'opérateur sur le livret Aéronef ou tout autre document exigé par l'Autorité d'immatriculation de l'appareil.

*This part presents the recording of the Airworthiness Directives applicable to the date of issuance of the Aircraft Statement of Conformity (EASA Form 52).*

*The pursuit of the recording of the application of the Airworthiness Directives with unique or repetitive application carried-out by the operator on the Aircraft Logbook or another document required by the Authority of registration of the aircraft.*
