Executive Summary

SAS is a service-orientated Global, Professional, Airline, MRO, and Ground Operations, Support, Consulting, and Training Company with a strong dedication to all our customers.

Since the company's inception in Sofia, Bulgaria in 2008, we have enrolled 100,000 Delegates and we now offer over 750 classrooms and over 350 online training courses across the globe and we have been delivering "High Level" regulatory compliant and vocational training. We dutifully service our many customers from all over the globe. SAS proudly boasts a number of competent instructors with many years of operational and maintenance experience.

Our business has been recognized as a leader in the industry not only because of our highly competitive rates and excellent customer engagement but also because we constantly strive to deliver high-quality content that matches the needs of the industry and our clients.
